SUMMER 2016

MESSAGE FROM YOUR DIRECTOR

Summer is here and no surprise that we are starting our children's and adult's Summer Reading Programs. Kids come in, sign up, and track the hours they read. Adults read 3 books from us and fill out a record to enter our prize drawing. The prizes are awesome and all you have to do is read. The Fire Department has again given us 8 breakfasts to give away to adults. Just sign out a book (no DVDs don't count, it is a reading program) and enter to win a breakfast.

Ann Recotta is coming July 16 from 1:00 to 3:00 as part of a grant from The ARTS of the Southern Finger Lakes. Ann will be teaching wire wrapping and use beads and a prism to create a beautiful sun-catcher. These skills can then be used to make jewelry. Upcoming programs also sponsored by The ARTS are Basket Making with Joan Belles and Drawing with Brett Steeves.

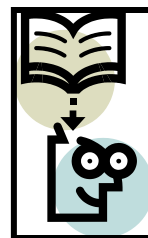

We have a new laptop/tablet thanks to a grant from the Foundation for Southern Tier Libraries. This laptop has Windows 10 on it so we can use it to teach one-on-one computer classes. If you need computer help or want to get books on your ereader, the library can help. If staff can't help you, we'll try to find someone who can.

Don't forget that using your library card you can access free music, magazines, audiobooks, and ebooks. Not sure how? Stop in and we can show you.

Pulteney Free Library Moving Forward

The Pulteney Free Library Board would like to thank the community for their out pouring of support at the Pulteney Free Library Pasta for Progress Night. A special thank you to the Pulteney Auxiliary and local residents that came down to help with cooking, set up and clean up. It was wonderful to chat with residents, library members, neighbors, and people from surrounding communities. The funds raised at the dinner are being used to assist with the expenses associated with the new building project.

We have been working diligently on various aspects of the building project since the property was officially transferred to the Library. We have met with local legislatures to gain their support of the project, attended meetings regarding possible grant and loan opportunities, reviewed a plan of moving forward with a feasibility study to create a needed timeline for grant applications, and continue to review commitments needed with moving forward as we prepare for a new facility. The members of the Building Committee work feverishly to keep the momentum rolling on the project and their time and efforts are greatly appreciated.

Along with all the building progress happening, it is still business as usual at the library. The summer reading program is starting with wonderful prizes from local merchants, special Art Nights, computer and internet services, and of course our wonderful Saturday Story Time. Come down and check out what the library has to offer and chat with Barb and Sue about the great programs and resources The Pulteney Free Library has to offer. Don't forget to like us on Facebook and keep up on what programs are coming your way.

Wishing everyone well.

Liz Ryder, PFL Board President
