Where did the sunny days of summer go? While we were busy reading, soaking up the sun, and enjoying the lake, the new library building sprouted up before our eyes. It is so exciting to see a dream come to life and realize what an integral part of our community the library has been and will continue to be as the years pass on. Although the frame is up, there are many things still left to be done. We hope you will join us on November 10, at our annual meeting, to take a sneak peek of the progress and show your continual support as we plan for furnishings, books and other items that will bring the inside of the library to life. What an exciting time for our wonderful community. Thank you for being a part of the progress. We look forward to seeing everyone at the ribbon cutting to be announced in the Spring.

Wishing you well,

Liz Ryder

This has been a busy summer and fall for the Library. We're very excited to watch the new building become a reality. It has really been a community effort and we thank everyone who has helped make the new Library possible.

Both children and adults enjoyed participating in our Summer Reading Programs. Thank you to all our sponsors for helping to make the programs a success.
