---

After 138 years the Pulteney Free Library has a permanent home! The Robert & Phyllis Ross Memorial Library opened in June and we have had a stream of community members and visitors enjoying the lovely new space and the amazing view. With adult, teen, tween, children, and computer areas, there is room to curl up and read, spend time on your tablet, or just hang out. With the opening we have added books to our juvenile series and our non-fiction collection. Also, we have increased the number of fiction and large print coming in monthly.

We wish to thank the Fred & Harriett Taylor Foundation for their support. Thank you to the Coordinated Outreach Advisory Council of the Southern Tier Library System for helping to fund a digital projector for our multi-purpose room. Also, thank you to The ARTS of the Southern Finger Lakes which, with public funds from the New York State Council on the Arts' Decentralization Program, makes our Arts programs possible.

Volunteers have been crucial to the success of our fundraising for the new building. Carol McGill, the Chair of our Building Team, has received the Southern Tier Library System's Outstanding Library Advocate Award for her efforts to make this new Library a reality. November 16 at 10:00 is the Library's Annual Meeting where we review the year in pictures and recognize the efforts of our volunteers. Please join us in our new space as we recognize Carol and our other volunteers who help make this a wonderful place for our community.

Fall and all its splendor have arrived! It truly is my favorite season. Hopefully, you have had an opportunity to visit the library. The fresh new look and beautiful view of the vibrant colors on the hillside are sure to make you relax and enjoy a few minutes of peace as you explore the various collections available to suit anyone's interest.

We are excited to announce that we will be partnering with Resilient Children and Families, a department of ProAction, to bring a Mobile Family Resource Center to the library. The Mobile FRC is a weekly drop-in program that focuses on developmental play and learning opportunities for children accompanied by parents. Additionally, there will be caregiver support and educational opportunities. This program is in its infancy, so be looking for updates as they develop.

As we wind up the year, we hope that you will join us on November 16 for our annual meeting at the new library. An overview of the year, the election of new board members, refreshments and a tour of the library will be on the agenda. Please join us for conversation while you explore the new space that was created through community connection, donations and volunteerism that represents the true commitment you have to the vitality of our beautiful town.

Wishing you well,

Liz Ryder

Library Board President
