Hope this note finds you well and enjoying much needed socialization and time out of the house! We are gearing up to provide service in a new and creative way to protect the health and well being of our patron. We ask that you bear with us during the adjustment period as we navigate the new policies and procedures outlined by the state and STLS. The good news is, at this time, patrons will be able to return to the library at the end of June.

I'd like to announce that the library board has a few fresh faces, Carol McGill and Deborah Baran have joined the Board of Trustees. We welcome their creativity, new ideas, and dedication.

Wishing you well
Liz Ryder Board President

WINTER READING PROGRAM SPONSORS

Hooray! The Library is reopening! On Saturday June 27, the Library will be open from 9:00 – 1:00. With the reopening comes new ways of doing things. Please put all returns in the outside book return so they may be quarantined before being checked out again. Masks will be required in the building. If you don't have one, the Tuesday Morning Sewing Group has provided masks for anyone who needs one. We have provided many hand sanitizing stations and everyone will need to social distance.

Unfortunately, our programs are suspended for now. Mrs. Jess has been posting stories, crafts, and lots of fun things on our YouTube channel. Click on the link on our web page, www.pulteney.org, to see what she's been doing. Also, on our web page are lists of our new books, our Buy a Bestseller lists, and a link to Read Squared. Read Squared is our online Summer Reading Program for kids and adults. You can sign up and report your reading in the Library or you can use Read Squared and do it online. We have received a grant from The ARTS of the Southern Finger Lakes for three artist workshops. Hopefully we will be able to hold them later this summer and fall.

2020 is a Census year and we can help you respond online. This Census is very important for our community and everyone needs to be counted.

A new program for us is 1000 Books Before Kindergarten. Parents and children reading books together is the best pre-literacy activity to prepare children for learning to read. The Library is partnering with the Southern Tier Library System and Hammondsport Community Services.

Stop in and visit our new space and check out our new books and services.
